The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

The following Plan components are addressed in the School Plan for Student Achievement as indicated below:

#### SECTION A (Sections 1 – 4 will be addressed through the process of data analysis and completion of the Action Plan)

#### (1) Data Analysis Tool: Comprehensive Needs Assessment

The Data Analysis Tool includes district and site-level data for to support the analysis of school performance and progress. Data is aligned to our District's Strategic Plan and Local Control Accountability Plan (LCAP).

#### Data Analysis, Program Analysis, and Needs Assessment, includes data such as the following:

- Academic performance data to determine student needs, State Standardized Assessments
- Adequate Yearly Progress (AYP) performance data for all students and subgroups are used to develop the instructional support program
- California English Language Development Test (CELDT)/ English Language Proficiency Assessment for California (ELPAC) data
- District Benchmark exams
- After school program data
- School climate and safety data, including California Healthy Kids Survey (CHKS)
- Strategic Plan Survey (Student, Staff, and Parent), Parent Needs Assessment
- Input from stakeholders (advisory committees, parents, community, etc.)
- The relationship between professional development and the successful implementation of core programs or interventions
- Evidence of implementation of monitoring activities in SPSA

#### (2) Data Review: School Plan for Student Achievement Annual Evaluation

The means of evaluating the progress of programs toward accomplishing the goals, including determining whether the needs of all children have been met by the strategies used, particularly the needs of low-achieving students and those at risk of not meeting state academic content standards. Monitoring of SPSA action plan and progress toward goals.

- Highlight Strengths: Which data reflected strengths for your school? Which prior year action steps have contributed to these areas of strength?
- Highlight Areas for Growth: Which data reflected areas of growth needed for your school? How will these areas for growth be addressed in your action steps and

supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.

• **Other Key Findings:** What does your overall data show regarding progress towards goals?

#### (3) District Goal Statements

School goals to meet the identified academic needs of students. A plan that is consistent with the LEA Plan, aligned to the GGUSD Strategic Plan and LCAP.

- Goal 1: All learners will develop the academic skills necessary for continual individual growth towards mastery of standards.
- **Goal 2**: All learners will develop the personal skills necessary to achieve academic and social goals.
- **Goal 3**: All learners will be prepared for lifelong success in their intended career paths.

#### (4) Action Steps / Schoolwide Reform Strategies (Planned Improvements in Student Performance)

#### Activities to reach school goals that improve academic performance of students includes:

- Opportunities for all students to meet proficient and advanced levels of achievement in state standards
  - Use of evidence-based instructional methods and strategies that:
    - Strengthen the core academic program in the school
    - $\circ$  ~ Increase the amount and quality of learning time and help provide an enriched and accelerated program
    - Deliver an instructional program that provides extended learning time and minimizes removing students from the regular classroom during school hours
    - $\circ$  ~ Include strategies for meeting the educational needs of historically underserved populations
    - $\circ$  Addressing the needs of low-achieving students and those at risk of not meeting state academic content standards
    - Provide effective programs for English learners
    - $\circ$   $\quad$  Address how the school will determine if such needs have been met
    - $\circ$   $\;$  Are consistent with the state plan and LEA plan  $\;$
- Instruction by highly effective teachers
- High-quality and ongoing professional development for teachers, principals, and paraprofessionals
- Strategies to attract highly effective teachers to high-need schools
- Strategies to increase parental involvement detailed in Section B
- Plans for assisting preschool children in the transition from early childhood programs to local elementary school programs
- Measures to include teachers in decisions regarding the use of academic assessments to provide information on, and to improve, the achievement of individual students and the overall instructional program
- Effective, timely assistance for students who experience difficulty in attaining the proficient or advanced level of academic content standards
- Coordination and integration of federal, state, and local services and programs
- Start and completion dates for each action or indication of timeline and target dates

#### SECTION B

#### School Parental Involvement Policy (SPIP)

- Strategies to increase parental involvement, including providing individual academic assessment results in a language the parents understand and an interpretation of those results
- Submission to the LEA of any parent comments of dissatisfaction of the SPSA or the Parental Involvement Policy.

#### COMMON PAGES (SECTIONS C THROUGH F)

#### SECTION C

#### Centralized Services and Support for Planned Improvement in Student Performance

• Identify direct services to students and educational support services to school staff provided by district office staff from categorical funds allocated to the school

#### SECTION D

#### **Budget Information**

#### **Programs Included In This Plan**

• Identify the state and federal categorical programs in which the school participates and, when applicable, allocations to the school

#### **Capital Outlay and Equipment & Site-LCFF Expenditures**

• Describes funding source and justification for capital outlay expenditures

#### Categorical Personnel

• Lists positions, funding source, and justification of categorically funded personnel

#### **Budget Planning Tool**

- Expenditures of funds allocated to the school through the Consolidated Application
- Coordination and integration of federal, state, and local services and programs
- Proposed expenditures and estimated costs for each action in the plan and funding source

#### SECTION E

#### School Site Council and English Learner Advisory Committee

- Establishment of the School Site Council (SSC) & Roster
- Establishment of the English Learner Advisory Committee (ELAC) & Roster

#### SECTION F

#### **Recommendations and Assurances**

- Recommendations and Assurances: Signatures verifying assurances
- Plan Approval Page: Recommendation of the SPSA to the district governing board for review and approval

#### **GUIDELINES FOR MODIFICATIONS TO THE PLAN**

LIST OF	REASONS FOR MID-YEAR REVISIONS	PROCEDURES FOR MID-YEAR REVISIONS
•	A major service or activity proves ineffective, and students are at risk. Material changes occur that affect the academic programs.	<ul> <li>Revise the plan, as needed</li> <li>If revising Capital Outlay, use the Capital Outlay Plan Modification Form</li> </ul>
•	Staff, equipment, or materials essential to the plan cannot be procured. School boundaries or demographics suddenly change. An activity is found to be non- compliant with state or federal law.	<ul> <li>SSC approves revision</li> <li>Send modification form and minutes of SSC meeting showing approval of revision to K- 12 Educational Services</li> </ul>
•	A planned activity is not supported by staff, parents, or students.	

#### PROGRAM IMPROVEMENT REQUIREMENTS

#### The following elements in Title I, Part A, Section 1116, for PI are addressed in the School Plan for Student Achievement as indicated below:

Required PI Plan Elements	Section(s) addressed in Plan
<b>1. Evidence-based Research</b> – Strategies based on scientifically-based research that will strengthen the core academic subjects in school and address the specific academic issues that caused the school to be identified for PI.	Section A (4)
<b>2. Successful Policies and Practices</b> – Adoption of policies and practices concerning the schools core academic subjects that have the greatest likelihood of ensuring that all students (and student subgroups) enrolled in the school become proficient.	Section A (4)
3. Professional Development (PD) A minimum of 10% of Title I funds will be used each year that the school is in PI for the purpose of providing high quality professional development of teachers and principal.	Section A (4) and D
PD meets requirements for qualifications of teachers and paraprofessionals.	Section A (4)
PD affords increased opportunity for participation.	Section A (4)
PD directly addresses the academic achievement problem that caused the school to be identified for PI.	Section A (4)
4. How funds (10%) reserved for professional development will be used to remove the school from PI status.	Section D
<b>5.</b> Description of <b>Specific, Annual Measurable Objectives</b> – Developed for each of the student subgroups and in accordance with the state's measure of AYP.	Section A (1)
<b>6. Shared Responsibility for Improvement</b> – Specify the responsibilities of the school, the LEA, the SEA, and a description of the technical assistance and fiscal responsibilities to be provided by the LEA.	Section A Section C
7. Parent Involvement – Strategies to promote effective parental involvement.	Section B
8. Extended Learning – As appropriate, activities before school, after school, during the summer and during any extension of the school year.	Section A (4)
9. Incorporation of a Teacher Mentoring Program – Support for teachers and Induction Program	Section A(4) & C

To be included with SPSA for Title I PI Schools

GOAL 1 Data Review

As you review your Goal 1 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
Highlight Strengths: Which data reflected strengths for your school?	We showed improvement in all areas of Goal #1A Academic Content in both State Standards and District Assessments, especially in ELA. We also showed double-digit improvement in all areas of Goal 1B Academic English in both State Standards and District Assessments. We surpassed the LPAC expected outcome of 3.0 in all areas of Goal #1C Scholarly Habits.
Which prior year action steps have contributed to these areas of strength?	The growth can be attributed to the focus and commitment by staff's adherence to curriculum with integrated technology, interventions, providing a language rich environment, and including PBIS and TESA as part of our school culture.
Highlight Areas for Growth: Which data reflected areas of growth needed for your school?	Goal #1B – Target writing skills of our ELs to improve our re-designation rates. Goal #1C – Scholarly Habits and Work Habits of our students to surpass the District average.
How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)	Provide extra support for Second Language Learners in the area of writing through Tier 1 and Tier 2 interventions. Provide supports for improving Scholarly Habits and Work Habits of our students through more explicit training, FAR, SLANT, and incentives.
Other Key Findings: What does your overall data show regarding progress towards goals?	We continue to show growth overall and in all of our subgroups on State Standards and District Assessments closing the Achievement Gaps with the District and State Averages.

Key Questions	Analysis
Highlight Strengths: Which data reflected strengths for your school?	We exceeded the LCAP Expected Outcome of 3.0 in all areas of Goal 2 – Personal Skills. Goal 2A Motivation largest gains were in the areas of Work Habits, Growth Mindset, Citizenship, and Expectations. We showed improvement in all areas of Goal 2B Socio-Emotional Wellbeing except School Connectedness which dropped slightly to 92%.
Which prior year action steps have contributed to these areas of strength?	Implementation of PBIS Components and TESA strategies in the classroom. Scholarly Habits emphasized. Counseling available (Behavioral Health Works) and continued implementation of school wide initiatives.
Highlight Areas for Growth: Which data reflected areas of growth needed for your school?	The targeted areas for growth are in the Areas of Goal 2C Climate. Specifically Discipline and Norms, Bullying, Feeling Safe, and Facilities. All are above the expected outcomes but we want to do better and surpass the District Average.
How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)	Provide extra support for clarifying school rules, safety, and expectations. This will be done through assemblies and incentives. Post the rules so everyone sees the same ones.
Other Key Findings: What does your overall data show regarding progress towards goals?	We successfully closed our Work Habits gap from last year to surpass the LCAP Expected Outcome of 3.0 with a 3.13.

#### **GOAL 3 Data Review**

As you review your Goal 3 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
Highlight Strengths: Which data reflected strengths for your school?	For Goal 3A College & Career Readiness, former Rosita students improved in their college Early Academic Progress rates in Math and Maintained in ELA. They maintained or improved in all areas of the PSAT/SAT/ACT. For Goal 3B College & Career Success former Rosita students showed growth in most areas.
Which prior year action steps have contributed to these areas of strength?	College Promotion Days, College and Career Mentoring Program, Scholarly Habits focus, extra support for second language learners, and incentives.
Highlight Areas for Growth: Which data reflected areas of growth needed for your school?	For Goal 3A College & Career Readiness, former Rosita students declined in their AP Enrollment and Test Taking Rate. For Goal 3B College and Career Success our enrollment and Persistence rates grew overall but declined for 4-Year College or University.
How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)	Promote College as a destination, Promote College readiness through Scholarly Habits, Academic Content, Climate, and Incentives.
Other Key Findings: What does your overall data show regarding progress towards goals?	We show growth in several areas, but a decline in Future Educational Goals of a 4 year or Advanced degree.

#### **ANNUAL EVALUATION**

#### School Plan for Student Achievement Annual Evaluation

Pursuant to California Education Code Section 64001(g), the School Site Council (SSC) must evaluate at least annually the effectiveness of planned activities. In the cycle of continuous improvement of student performance, evaluation of the results of goals will provide data to inform and guide subsequent plans. The school must be able to provide evidence of the evaluation process to determine if the needs of students are being met by the strategies described in the SPSA.

Section	Annual Evaluation Summary Description Use the guiding questions above and provide a summary response for each area of evaluation.							
Plan Priorities	Areas of focus for the 2017 - 2018 School Year is we're providing and supporting student access to technology, focusing on EL Support, as well as identifying and supporting students at risk. Expenditures include the purchase of Technology, staff development, Extended Day and Extra Duty for personnel to instruct targeted students.							
Plan Implementation	We implemented the strategies and Action Steps of our District Strategic Plan with the main focus on Goal #1 of Academic Content, Academic English, and Scholarly Habits. Although we did well and student growth was evident, we will strive to improve in all areas with our Growth Mindset. Targeted areas for improvement include Writing Strategies and Professional Development in implementing technology. We also implemented and found success with the strategies and Action Steps of Goal #2 of Motivation and Socio-emotional Well-Being. Targeted areas for improvement include Climate, Attendance, and Parent Community Outreach. We also are implementing Goal #3 of College and Career Readiness and College and Career Success with support from our College and Career Mentor Program.							
Strategies and Activities	Areas we want to focus on for improvement include more targeted Staff Development for integrating technology into our instruction and writing for a variety of purposes. We also will create more opportunities for vertical Collaboration for successful strategies.							
Involvement/ Governance	The SSC was given a copy of the plan and shared how it all fits together to generate student success. The SSC was asked for any thoughts and/or ideas on how we can improve. The same was asked of our ELAC and at Pastries for Parents meetings. The same was asked of our Staff as well. Thoughts and ideas were discussed and, if applicable, included in Action Steps in our plan.							
Outcomes	Comparing last year's data, we grew in our State Standards SBAC and our District Benchmark Assessments in both ELA and Math overall, as well as all of our subgroups. Our subgroups include Latino, Asian, English Learners, Socio-Economic, and Special Education. We grew in most areas of our District Strategic Plan as well. We grew in Goal 1 Academic Content, Academic English, and most areas of Scholarly Habits. We are working on improving Work Habits. We also grew in most areas of Goal 2 Personal Skills, including Growth Mindset, Citizenship, and Expectations. We are working on areas of Climate, including Bullying and Discipline and Norms. For Goal 3A College & Career Readiness, former Rosita students grew in their college readiness assessments, but declined in their AP Enrollment and Test Taking Rate. For Goal 3B College and Career Success our enrollment and Persistence rates grew overall but declined for 4-Year College or University.

#### School Parental Involvement Policy: 2018-19

#### Involvement of Parents in the Title I Program & Building Capacity for Involvement

Our school engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. The state identified twelve requirements, which have been organized into six categories based on the framework of six types of parental involvement: parenting, communicating, volunteering, learning at home, decision making, and collaborating with the community. To help reach these goals, and involve parents in the Title I program at our school, the following practices have been established:

### PARENTING: Help all families establish home environments to support children as students.

- 1. Our school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Our school provides parents of Title I students with timely information about Title I programs.
- 2. Our school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening, including multiple opportunities for parent education programs.

The school provides parents with information about the school's participation in and the requirements of programs such as, Title I, English Learners (EL), Special Education, Gifted and Talented Education, and the LEA plan. The school organizes opportunities for parents to be involved throughout the school year. Information regarding the school's programs and their rights to be involved will be distributed to parents at the beginning of the school year. The school will schedule ongoing parent meetings to disseminate information regarding Title I and other school programs.

- The schedule of parent meetings and parent education opportunities are disseminated to parents through electronic messaging, school website, Tuesday Newsday and School Messenger.
- Parent meetings include morning Pastries For Parents and ELAC Meetings. Evening School Site Council, Family Nights, and Parent Education classes.

# COMMUNICATING: Design effective forms of school-to-home and home-to-school communications about school programs and children's progress.

- 3. Our school distributes information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand.
- 4. ACCESSIBILITY: The school provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.
- 5. Our school has developed a written Title I parental involvement policy with input from Title I parents. It has distributed the policy to parents of Title I students. The policy describes the means for carrying out Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

The School Plan for Student Achievement

Parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, identify their home language and preferred correspondence language during school registration. For language needs exceeding 15% of the school population, information will be made available in those languages. All notices, flyers, newsletters, etc., are translated by either school staff or the translators at the ARC. School community liaisons are available to provide interpretation for parent meetings, parent conferences, and other activities at the school site.

- The school developed the policy with parent input gathered through surveys, parent meetings, Pastries For Parents, School Site Council meetings, and ELAC meetings...
- The school distributes the policy via the website, parent-teacher conferences, back-to-school night, back-to-school parent information packets. The policy is also available in the school office

#### VOLUNTEERING: Recruit and organize parent help and support.

- 6. Our school provides support for parental involvement activities requested by Title I parents.
- 7. With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners.

Parents will be provided with information on how to become involved in school or district parent governance committees, parent organizations, parent education groups, or other parent volunteer opportunities.

- The annual parent survey provides parents an opportunity to provide input into parent involvement needs. These results from the survey are shared with staff and parents, which help to guide the action planning process for the school site.
- Through staff meetings and professional development opportunities, teachers and other staff are educated about the value of parent contributions and how to work with parents as equal partners.
- Staff are to facilitate parent education programs, such as 10 Educational Commandments, 40 Developmental Assets, PESA, etc...

## LEARNING AT HOME: Provide information and ideas to families about how to help students at home with homework and other curriculumrelated activities, decisions, and planning.

- 8. Our school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.
- 9. Our school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children. Our school provides parents with materials and training to help them work with their children to improve their children's achievement.

Teachers explain the curriculum and assessments used to measure student progress at Back-To-School Night and parent-teacher conferences. The principal will share additional information with parents during other parent meetings.

- "other parent meetings" i.e., Pastries with the Principal, Parent Math Night
- Parent nights to explain the Academic Content Standards and assessments
- Parent education opportunities, such as the 10 Educational Commandments, 40 Developmental Assets

### DECISION MAKING: Include parents in school decisions, developing parent leaders and representatives.

- 10. If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.
- 11. Our school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.

The review of the School Parental Involvement Policy is included as part of the annual review of the School Plan for Student Achievement (SPSA). The policy is updated periodically to meet changing needs of parents and the school. The school has a process in place for involving parents in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents of Title I children [20 USC 6318 Section 1118(c)(3)]. The district provides a timeline for requirements related to Title I, parent involvement, SSC and ELAC topics to be discussed, as well as the process of reviewing and developing the SPSA, including this parental involvement policy.

• The school invites parents to participate on the School Site Council and other parent committees. Parents are also involved in the development of the school plan and are given an opportunity to provide feedback into school actions through meetings and the annual parent survey.

COLLABORATING WITH THE COMMUNITY: Identify and integrate resources and services from the community to strengthen school programs
family practices, and student learning and development.

12. Our school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.

The District's Parent and Community Outreach Department provides guidance, support, and training to parents, teachers, administrators, and support staff. The activities of the Parent and Community Outreach include:

- Providing professional development opportunities in parent education programs
- Serving as a link to parent and community resources
- Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites
- Coordinating parent education and community outreach meetings

Our school has designated staff and/or school-community liaisons that provide outreach to families, serve as a resources for parents, and collaborate with the community to support parents and families. The district and school have partnerships with community agencies to offer afterschool programs, counseling and mental health services, health and safety programs, and tutoring programs that serve to support student learning and development.

#### SCHOOL-PARENT COMPACT

Our school distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- The school's responsibility to provide high-quality curriculum and instruction
- The ways parents will be responsible for supporting their children's learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities

[Upload a copy of the compact to DTS.]

In addition, guidelines and assistance are provided to the schools to meet the District's evaluation requirements. Evaluation summaries are presented to the Board of Education and are available at each school.

### SECTION C: OVERVIEW OF CATEGORICAL SERVICES

#### **DIRECT SERVICES (K-12)**

- Teachers on Special Assignment (TOSAs) provide guidance in (1) The planning process, (2) The review process, and (3) Writing the needs assessment. They meet with the Leadership Team, staff, and School Site Council to assist in analysis of the school program and determination of needs. TOSAs assist each school with staff development. This assistance may include helping determine what sessions are needed, finding resources to provide in-services, and/or conducting in-service sessions such as co-planning and co-teaching. Staff development may be scheduled after school, as a release day at the local school, or at the district office with other schools. Staff development topics include: implementation of standards-based instructional strategies, literacy development across the curriculum, mathematics, language acquisition for English Learners, other content area strategies, Systematic English Language Development (ELD), Constructing Meaning, training, and other supplemental Specially Designed Academic Instruction in English (SDAIE).
- School Testing Assistants work with school personnel to schedule and perform student skills testing at schools.
- Parent and Community Outreach works as a division of the Office of K-12 Educational Services to provide guidance, support, and training to teachers, administrators, and support staff. The activities of the Parent and Community Outreach include (1) Providing professional development opportunities in parent education programs, (2) Serving as a link to parent and community resources, (3) Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites, and (4) Coordinating parent education and community outreach meetings.
- Tutors are provided for the Advancement Via Individual Determination (AVID) program in grades 7-12 and other self-regulatory programs.
- The Boys & Girls Clubs of Garden Grove provides after school programs (ASES and ASSETs) and Mc-Kinney-Vento services.
- Title I funds are utilized to support the 10<sup>th</sup> and 11<sup>th</sup> grade administration of the PSAT. SAT preparation classes are offered to all high school juniors at a reduced rate.
- Intervention teachers and supplementary intervention curriculum materials have been funded to support students who are most at-risk. These teachers and materials have been funded to provide additional intensive supports and effective interventions to help all students meet the state academic standards. Funds will also be used for the development and implementation of Alternative Programs to increase opportunities for students in meeting academic standards and high school graduation requirements.

#### **INDIRECT SERVICES (K-12)**

- The Departments of K-6 and 7-12 Instruction and K-12 Educational Services coordinate centralized and district resources to assist each school in meeting project requirements and providing quality programs.
- The Office of K-12 Educational Services provides information regarding budget categories, legal expenditures, and compliance.
- The Assessment and Registration Center (ARC) assists principals and individual teachers in providing assessments, translation, personnel, materials, and staff development to meet the needs of English Learners.
- Counselor on Special Assignment (COSA) provides guidance for counselors, supplemental counselors, and administrators regarding placement, A-G and graduation requirements. COSA organizes and plans implementation of various programs related to college readiness, such as PSAT/SAT prep classes, AP, and scholarships. COSA also plans and implements support services for at-risk students, such as credit recovery, summer school, and academic review.
- The Department of Evaluation and Research assists schools in evaluating their ongoing programs as well as assisting with appropriate testing and year-end evaluation procedures.

#### **GENERAL FUNDED DISTRICT SERVICES FOR STUDENTS (K-12)**

- All English Learners receive an English language development program designed to meet their instructional needs.
- Upon request of the school, a district worker from the Office of Student Services makes home calls as needed regarding health, attendance, etc.
- The vocal music teacher provides music experiences to students in grades 1-6.
- Instrumental music instruction is offered to students in grades 4-6.
- Students are screened for health problems and referred to appropriate services as necessary. At the elementary level, a district health assistant provides health services for 3 hours per day.
- At the elementary level, parent conferences are regularly scheduled to inform parents of student progress and to aid them in assisting their children at home, and at the secondary level conferences are scheduled as needed to inform parents of student progress towards graduation.
- The Speech and Language pathologist screens students referred by the teacher and/or Student Study Team. The pathologist consults with the teacher regarding the speech and language needs of students.
- Following Student Study Team meetings and referral for assessment, a school psychologist coordinates assessment for students and makes appropriate recommendations to an IEP team.
- Students who qualify for special education may receive instruction and/or designated services following the recommendation of an IEP team.
- The Office of Special Education coordinates services of the speech and language pathologists, school psychologists, adapted physical educational teachers, and other appropriate services in identifying and providing services for individuals with exceptional needs.
- Gifted and Talented Education assists principals and individual teachers in identifying and providing for the needs of gifted and talented students.
- Other district services (i.e. music, art, libraries) supplement the school site's base program as appropriate to the school's needs and plans.

## Rosita Elementary School SECTION E: ESTABLISHMENT OF THE SCHOOL SITE COUNCIL (SSC) \*RECORDS MUST BE RETAINED FOR 3 YEARS

At elementary schools, the council must be constituted to ensure parity between (a) the principal, classroom teachers and other school personnel and (b) parents of pupils attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must, in addition, be equal numbers of students and parents or other community members selected by parents. Teachers, other school personnel, parents and (at secondary schools) students select representatives to the council (Education Code 52012). The Council must have at least 10 members at elementary sites and 12 members at secondary sites.

## Rosita Elementary School SECTION E: SCHOOL SITE COUNCIL (SSC) ROSTER

Education Code Section 64001 requires that this plan be reviewed and updated at least annually, including proposed expenditures of funds allocated to the school through the Consolidated Application, by the school site council. The current make-up of the council is as follows:

	3. Back To School Night Election: In the letter, we include a form for self-nomination. After all				
	the nominations have been received, parents and school personnel are informed that the				
	election will be held prior to Back To School Night, stating the date and time. Ballots are				
	prepared and a voting station set up for parents and guardians of English learners to vote.				
	Parents from last year's ELAC count the ballots.				
	b. Members' terms of office: Members will serve one- or two-year terms.				
	c. Procedure for replacing a member:				
	The procedure for replacing a member shall be pre-determined. Recommended procedures include:				
	1. Mid-year elections may be held.				
	2. Members are replaced using a peer selection process.				
	3. Volunteers may be asked to complete the year, a replacement will be appointed, and				
	elections will be held in October of the following school year.

#### SECTION F: PLAN APPROVAL PAGE

The school site council (SSC) recommends this school plan and Proposed Expenditure(s)s to the district governing board for approval and assures the board of the following:

- 1. The school site council is correctly constituted and was formed in accordance with district governing board policy and state law.
- 2. The school district assures "that school site councils have developed and approved a plan, to be known as the School Plan for Student Achievement, for schools participating in programs funded through the consolidated application process, and any other school program they choose to include."
- 3. School plans must be developed "with review, certification, and advice of any applicable school advisory committees." The school site council sought and considered all recommendations from the following groups or committees before adopting this plan (Check all those that apply):
  - X English Learner Advisory Committee

Community Advisory Committee (CAC) for Special Education Programs

Gifted and Talented Education Program Advisory Committee

Other : e.g., School Safety Planning Committee, District/School Leadership Team (DSLT)

- 4. Any plans required by programs funded through the consolidated application must be consolidated into a School Plan.
- 5. The content of the plan must be aligned with school goals for improving student achievement.
- 6. The school site council reviewed the content requirements for school plans of programs in this School Plan for Student Achievement and believes all such content requirements have been met, including those found in district governing board policies and in the LEA Plan.
- 7. The plan must address how Consolidation Application funds will be used to improve the academic performance of all pupils to the level of the performance goals.
- 8. The plan must be "reviewed annually and updated, including proposed expenditures of funds allocated to the school through the consolidated application, by the school site council."
- 9. This school plan is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated goals to improve student academic achievement. School goals must be based upon "an analysis of assessment data and the English Language Development test, and may include any data voluntarily developed by districts to measure pupil achievement."
- 10. The school site council reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the school plan requiring board approval.
